To Whom It May Concern-

I wish to apply for a Waiver to file the Coloma Public Library's Form 471 for E-Rate funding in year 2018-2019 for voice communication outside of the filing window. I find that I am still getting used to using the EPC Portal to file for E-Rate and I inadvertently missed the deadline.

I have lined up my contracts for local telephone services and our Funding Request for this year is in the amount of \$128.40. I have already completed and certified the form our 471 number is #181040964. I am asking that you please consider moving our 471 to In-Window Status.

Thank you for your consideration and if you need any more information from me, please do not hesitate to contact me.

Sincerely,
